The Master of Arts in Ministry (MAM) Program is for those preparing for ministerial positions in various Catholic settings such as teaching in Catholic schools, ministering in parishes, campus ministry, hospitals, and prisons. Now, more than ever, our Church needs laity with a well-rounded knowledge of their faith to support these ministries.

The Master of Theological Studies Program is designed to expose students to the broad parameters of Catholic Theology for those working in other professions and seeking a grounding in theology to effectively evangelize in the fields of culture, work, politics, and family.

The Institute offers two accredited degree programs. Scholarships are available. Our courses are offered evenings and Saturdays. You may attend either full or part time.
